Re: *United States v. Skye Xu.*, 23 Cr. 133 (JMF)

Dear Judge Furman:

In an Order dated March 28, 2024, the Court canceled the pretrial conference previously scheduled in the above-captioned action for April 2, 2024 and directed the parties to confer with respect to whether time should be excluded under the Speedy Trial Act between a ruling on the pending motion to dismiss filed by the defendant and the trial date of October 28, 2024. The Government has conferred with counsel for the defendant and understands that the defendant consents to the exclusion of time between the date of the Court's decision on the pending motion and the trial date. Accordingly, the Government respectfully requests that the Court exclude time under the Speedy Trial Act, 18 U.S.C. § 3161(h)(7)(A) between the date any decision on the pending motion to dismiss is issued and October 28, 2024, to permit the defendant to continue his review of discovery materials and to prepare for trial in this matter.

Respectfully submitted,

DAMIAN WILLIAMS
United States Attorney
